## *What is Music at Monica's?*

Music at Monica's is the Concert Series of the Church of Saint Monica in Berwyn, located on the Main Line of Suburban Philadelphia. The series, celebrating its sixth season, brings music and arts offerings of all types to the area for the benefit of parish and the community at large. The Music at Monica's Series is completely supported by the "Friends of Music" and requires no financial support from the Parish.

Each year, the concert series committee, in cooperation with the outreach efforts of the Parish, chooses a named beneficiary to support with the free-will donations collected at each concert event.

## *The Mission*

- The mission of the Music at Monica's Series is one of musical outreach to the community - an ecumenical time to welcome all to our parish.
- Music at Monica's exists to support outreach efforts of the Church of Saint Monica, and to support specific charitable endeavors as may be designated for specific concerts.
- Music at Monica's exists to provide a free or low-cost cultural option to the greater community.

## *Our Philosophy*

Music at Monica's is intended to foster an atmosphere of "soft sell" evangelization. For centuries, the Church has played an important role in the cultivation and promotion of musical and artistic endeavors. Blessed John Paul, in his *Letter to Artists*, speaks of the epiphanies of beauty through which God speaks to human hearts, and how the arts are a medium of revelation in the world. Simply put, God speaks through beauty and music.

## *How can I help?*

Please consider a contribution to this musical ministry to continue the excellence in programming and outreach, benefitting both the community and the parish.
